

Conference of Biochemists and Molecular Biologists in B&H

Sarajevo, 18-20 May, 2023

On behalf of the Organising Committee and the Association of Biochemists and Molecular Biologists of Bosnia and Herzegovina, we are delighted to invite you to the International Conference of Biochemists and Molecular Biologists in Bosnia and Herzegovina – ABMBBIH Conference 2023.

We are looking forward to welcoming you to Sarajevo and celebrating the diversity of the biochemistry community, from students and early career researchers to the internationally leading expert in the field of biochemistry and molecular biology

In addition to learning about the latest development in biochemistry and molecular biology, ABMBBIH Conference 2023 is your chance to socialize whilst enjoying some of Sarajevo's outstanding venue and Bosnian and Herzegovinian rich culture and tradition.

Welcome to ABMBBIH Conference 2023 and welcome to Sarajevo!

Call for papers

For all informations regarding conference programme, abstract topics, venue and participation fees, please visit:

www.conference.ubmbubih.org

Early registration deadline: **March 15, 2023**

Regular registration deadline: **May 15, 2023**

Late registration on spot: **May 18, 2023**

Abstract Topics

- Basic and applied biochemistry
- Molecular genetics
- Molecular biotechnology
- Molecular and precision medicine
- Interactions between organisms and the environment
- FEBS session – „Innovative teaching as a basis of Excellent Research in BioSciences”

Abstract submission deadline: **March 15, 2023**

Organizer

UBMB U BIH
ABMB IN B&H
